The past 12 months was an interesting time for horror, especially for experiments in form: two established masters sank their teeth into new veins of the genre, we shuddered at an absolutely brutal novel written entirely in a single running monologue, fictional oral histories explored terror from every angle, and even the oldest tricks in the blackest of books were given new life. *The House of Berethnet* has ruled Inys for a thousand years. *In the Twist*. *Dark Shores* Danielle L. Kaimana is certain this connection is what is needed for her to become a legend. Write your review. I found with this book I cemented how much I really like these characters. *A Waking Dream*.
