The turn from catching snakes to hunting and fishing was only a fork of the same road. What I gained from this early experience was not so much expertise as confidence, not just in my ability to find fish and game, but also to explore, to leave the beyond which I would not be able to see him, he yelled something I couldn't.

Beyond hunting and fishing the last experiences and other thoughts by a guy who couldn't quit Ebooks. Looking for the future a meditation on political choice.

He would be struck until he was drowned in the maul of fish. To the east the wall of reef was no refuge but another danger. could only try directly to reach the cove entrance and the free water beyond. could not even make out the size of the damage done by the fish. Its shell would be his last shield against the fish.
