Average Review. As a secular person myself, my aspiration is for Palestine, and all other Arab countries for that matter, to be governed by human-made laws. Hroub, who has had unprecedented access to the Hamas leadership and internal documents, notes that it is a mistake to just base, as some critics Hamas: Political Thought and Practice, an understanding of Hamas on some of its earlier documents, such as the charter.

Building hope on Obama, as the author insinuates, is like building on sand. Hroub
