Ludwig Feuerbach, The Essence of Christianity - PhilPapers

In contrast to the constructive theology that readers might expect from the title, The Essence of Christianity instead poses a sharp critique of Christian religion.

The Essence of Christianity by Ludwig Feuerbach

The most important work of the famed German philosopher, this polemic asserts that religion and divinity are outward projections of inner human nature.

Jesus of Nazareth was a historical person who Christians and their texts claim fulfilled the prophecies of the Jewish expectations of a Messiah, the one Anointed .
