Anza-Borrego Desert Wildflowers Update

The spring flowering season in the Arizona Upland subdivision spans from mid vast carpets of color for which the Sonoran and Mohave deserts are so famous.

Desert flowers may be found throughout the year in Anza-Borrego, but many desert visitors come to anticipate the wildflower season in spring, often beginning in.

The flowers can appear as early as February and sometimes last into June. About once every decade the desert experiences a "super bloom,".
