We will accordingly be concerned with the ways that racialization influences phenomena like the mass production of abolitionist literature, forms of middle-class self-representation such as literary societies, and emerging statistics-based reform efforts. Expansion Given this long history of both individual and group contributions, it is no surprise that black print culture saw a flurry of activity in the s and early s, parallel to the material and geographic expansion in the larger US print world. Sherman, Joan. Foremanproblematizesinstancesinwhichscholarswithprimarytrainingou Sign in with your library card. That widening spectrum of print possibilities, albeit still under the oppressive hand of slaveholding power and racism, highlights a gap that looms even larger than the ideological differences that sent Garnet and Cannon on different publication paths: the places of and opportunities for black women in black print culture.
