Looks like you are currently in Finland but have requested a page in the United States site. The nurturing role has included not Nations and Nationalism in a Global Era the preservation of the homeland culture adapted to hostland conditions and diplomatic support, but also the activities of political formations oriented primarily to the concerns of the homeland, such as Zionist parties in prewar Poland; the Armenian Revolutionary Dashnak Federation in France and Greece; and a variety of pro-Israel organizations in the United States. There is a vast literature dealing with globalization and nationalism both separately and in connection with each .
