If pressed I would probably claim, as does Frankfurt, that it serves to indicate that Descartes' project is that of the reasonable person, and that questions as to the validity of reason are therefore not to be entertained. So, it is a mistake to ascribe mental properties like knowledge to entirely physical things. Of course, since calling everything into doubt, I haven't established that anything exists besides me and God.

The wine is said to occupy that place within the bottle. He mastered these, but These are two different kinds of extended things, but they are extended things nonetheless. It is the mind that can perceive clear and distinct ideas. Descartes Paris p.

It consists in unveiling the contents of four clear and distinct ideas. It is said charges were raised at the Universities of Utrecht and Leiden and stemmed from various misunderstandings about his method and the supposed opposition of his theses to Aristotle and the Christian faith.
