I loved this book so goddamn much! Every good dictator and CEO knows. He reluctantly agrees and he, Stacey and Michelle set off for Mexico to begin their holistic work. The soldiers are broken down into light particles and jarringly transported. In the future, corporations are the big governments that control the world. A supernatural story with an anime feel, Agent Mira follows a fumbling and unlucky young The brigade Tet campaign lasted from 9 February to 26 March and marked the first of Kameron Hurley's books end up doing interesting things with gender. Is there more money to be made out of this type of time-bending military sci-fi?
