She draws the line at Sean, orthopedic surgeon, who deserted the rest of the family after the death of his father, which he blames on his grandfather. As I saw with Kayla's story in the first book this author does a great job with this type of thing.

Elise was so punky and outspoken in the first book, and she is still that way here. I agree! R 44, As always, my main points are bolded. Yet she was attracted to .
