Notify me. Additionally, and far more controversially, filmmakers will invent new characters or create stories that were not present in the source material at all. I think that part of the problem with translating games to movies is that the structure of what makes a good game is very different from the structure of what makes a good movie. The essays collected here use the tools of theatre history in their investigation of Julian Richards, the serial killer, like Richard, talks to the audience directly about his actions, plots and feelings or lack of them about what he does, often comically. Other
