Erin recently moved to the Lansing area from Traverse City to fulfill her passion of working with students in higher education as an Academic Success Coach at Lansing Community College Success College. Community colleges offer their students a more attractive ROI. When you see your academic advisor, you'll get a class planner that will help you to stay on track. In some cases, areas of study may cross clusters. It's a great resource. A mentor can help a student figure out what their dream is, and could be the person a student looks back on as the most important in helping them achieve their education.

They also come with great personal satisfaction and reward. Those students who also had the opportunity to work with migrant seasonal farm workers students in the High School Equivalency Program empowering them emotionally and academically while pursuing their GED.
