The extent of violations committed by India upon its neighbors can be drawn by listing the manner India has violated the UN Charter and international laws by interfering in the internal affairs of sovereign nations. The position was that the statute infringed upon citizenship processes, especially to those married to Indians and their right to contest elected office.
Further, many jurists in Pakistan have drafted voluminous reports and articles. During my time as minister of health and population, I tried to shift the discourse on public health from quantity to quality. First, while Nepal avoided rule under the British Raj, it had a domestic monarchy that ruled the country for over one hundred years.
