Regardless, the show was great from up in the nose bleeds. This is a good, or da

Of Men and Monsters is pretty close to a young adult novel, in fact, except powerful adults are pretty scarce. Politics, war, flight, more politics, evil science, romance, and possibly good science follow. Perhaps children murder each other all the time and are simply keeping quiet about it.

The themes of his books are very familiar but given a fresh perspective and full is a tale of evolution and revolution, in that it is Eric that causes change and deals with the consequences. It is not the one I expected but it is still good.
