Spend time in prayer for them—let the Holy Spirit do the work and win the war. They may not always articulate it, but the people experiencing suicidal ideation are often torn between the desire to die and the desire to live.

What can someone expect from their first meeting with a mental health professional? The stigma that accompanies this illness keeps many from getting the help they need. Talk to the friend. These are stressful events that can lead to increased suicidal feelings. This post really touched my heart. Liberal Christians are non-existent. Remember that there are four key points to determining whether someone will try to die by suicide and be successful at their attempt: They have formulated a plan to do it, they have the means to do it, they have set a time to do it, and they have the intention of following .
