Either way, theatre is cathartic, healing and meditative. But what is striking at this moment is the real provenance of the blackness—transposed as a notion of slavery and emancipation to the white bodies—on the stage of Polish national drama. What is surprising, moving from performance to the field of theater theory, is To ask other readers questions about Theatre and The Body please sign up. Refresh and try. Our work is both poetic and practical, process based as well as outcome orientated. Harvey Young. They take place, which means in a particular place, and yet simultaneously also pass away—not simply disappear but happen somewhere .
