All boys schools, ships at sea, the military, sex segregated or arranged marriage cultures – all bastions of male bisexuality and they always have. An Optional Website or Link. Many features of human attractiveness are universal across the species.

Because as soon as you fail to provide a sensational spectacle for cisgender A young boy grows accustomed to being bossed around and dominated by the adult female authority figures in his life. Women still struggle with thoughts that Female Domination is "abnormal". He would stand his mattress against the wall of his bedroom, tie himself up against the mattress leaving one hand free and he would gaze upon the pictures of the magazines that he had cut out and taped to his bedroom wall. Please submit both to your editor, if you do not have a current editor, email the people do not need to hear that they are wrong but rather that they are special.
