The spiritual definition of a Jew is someone who seeks a spiritual base by study, a religious perspective, and a spiritual horizon derived uniquely from Jewish.

Such seeking can be qualified as spiritual in nature. The main watershed, which can open up the spiritual horizons of life, begins with the question: "What is .

Berkeley: Shambhala. I will therefore dare to venture into these more abstract realms of philosophy and theology as I search for ways of understanding how spirituality might be lived through the work of psychotherapy. Chaikin, MD Dr. A truly psychological and empirically grounded treatment of spirituality. It is structured in that it expresses itself in four shifting and interacting foci. Traditionally, religiously affiliated spirituality defined wholesome growth even as psychotherapy often does today. All of them were important in my personal evolution, and all of them I had to integrate. It is why patients force the psychotherapist into the role of the priest and expect and demand of him that he shall free them from their suffering.
