Finally in after this problem led to the defeat of a widely accepted initiative to subsidize the arts, the government proposed a constitutional amendment to allow 'double yes' voting on initiatives and their counterproposals.

An occurrence of a negative vote has also been noted in the Swiss direct democracy. Voting rights acts were rejected in and In Switzerland, the most important - but a relatively few - issues are decided by the people, important and more numerous matters by parliament, and the least important but very numerous issues by the government. Transitivity is an important characteristic of real systems, either social or natural.

Community Structure in Congressional Cosponsorship Networks. The Federal Constitution passed with a popular endorsement of
