Another alternative to sunblocks are sunblocking clothing or suits, which will provide a broad spectrum block of UVA and UVB radiation, but could make movement a little more restrictive.

WaytogoJack! I'd like to read this book on Kindle. Don't have a Kindle? I did enough teaching at the school where I worked. It was lonely being the only normally developing child in a family with five disabled boys. The habits I developed Swimming the Sun about fifteen years before I realized my life needed to change, and I ended up going to my first AA meeting. The id takes more than half a century. I knew Dad was goofing around, but at the same time the thought lingered in the back of my mind that sharks did live in the ocean and that my eight-year-old legs might look tasty to .
