The suggestion that novelty is the main link between waking experience and dreaming stresses the vigilance function of dream consciousness; the novel aspects of day-time encounters can potentially upset an existing emotional status quo. Response to a challenge. The dreamer is helped to reflect on the events of the previous day in order to define clearly the specific content that shaped the dream when it occurred. Ifhedid,whatisit?Also, when I checked the back jacket of the book, there were no reviews from actual publications or book review blo I had received this book for free through a friend-

I have to admit I stopped reading it pretty early on.
