Ageing with attitude: Gardening is good for the body and the mind Alison Flack enjoys the timeless constancy of the garden. Gardening is a refuge, relaxation, a creative endeavour, and good for the body as well as Ageing With Attitude mind, writes Margaret Jennings. Both grammatically correct.

Anequitable society for all ages requires intergenerational collaboration. Nor would they fear the isolation from society that arises from not having children. Show 25 25 50 All. Support the website with a monthly donation.

People's need for healthcare increases as they grow older, and the seriously ill. New Internationalist is a lifeline for activists, campaigners and readers who value independent journalism. However, I would like to debate her notion that she might be too old for skin tight jeans and six inch stilettos.
